PACKAGE DESCRIPTIONS

1. Essential Package

Maintenance interior detailing for routine upkeep.

- Full vacuuming, glass cleaning, air vent detailing, and door jamb wipe-down.
- Panel, dashboard, and center console cleaning plus tire/wheel dressing.

2. Deep Clean Package (Most Popular)

Intensive restoration and thorough deep cleaning of interior surfaces.

- Includes everything in the Essential Package.
- Scrubbing of plastics, dashboard, console, vinyl trim, and leather conditioning.

3. Full Interior Package (Shampoo / Extraction)

Deep fabric revival and hot-water extraction from top to bottom.

- Includes everything in the Deep Clean and Essential Packages.
- Hot-water extraction for cloth seats, carpets, floor mats, and headliner cleaning.

4. Wash & Gloss (1-Step Light Polish + Wax)

Intermediate exterior package focused on shine enhancement and protection.

- Hand wash and clay bar paint decontamination.
- 1-step light machine polish + high-quality wax/sealant application.

5. Exterior Detail + Paint Correction (Specialty)

- Hand wash, iron decontamination, clay bar, and multi-stage paint correction.
- Wheel well cleaning, rim detailing, tire dressing, and durable paint sealant.

6. Ceramic Coating Protection (Add-on)

- Nano-ceramic layer applied over corrected paint for extreme hydrophobicity and gloss.
- Requires prior paint correction. Quoted separately based on protection tier.
